

Regional GIS

- November 19th the Mid-Shore GIS Committee meeting was held at the Talbot County Department of Planning and Zoning in Easton. Representatives from the ESRGC, MSRC, Talbot County and Queen Anne's County were present.

Updates were offered regarding recent activities of the counties, ESRGC, and MSRC.

Discussions included: Talbot County FEMA maps, Southern Kent sewer improvement project, GeoCortex implementation - Queen Anne's acquired in June 2014, Talbot has also recently acquired (counties discussed road blocks, and possible sharing of workflows in the future), Critical Area, Broadband, LiDAR and LAS tool sets.

Attendees were:

- Mark Cohoon, GIS Manager, Talbot County Department of Public Works
- Sam Stanton, GIS Specialist, Queen Anne's County Information Communication & Technology
- Dr. Michael Scott, Director, ESRGC
- Erin Silva, Senior GIS Analyst, ESRGC
- Mary Buffington, Senior GIS Analyst, ESRGC
- Ryan Mello, Project Coordinator, ESRGC/CAC
- September Meagher, GIS Technician, ESRGC
- Scott Warner, Executive Director, MSRC
